Methodology for Student Portion for section 2003(a)(1) of the American Rescue Plan

The institution intends on implementing the same methodology used to calculate the Student Portion of HEERF II using increased dollar values.

To be eligible to receive the emergency financial aid grants provided by the CRRSAA/HEERF II, students must:

- be enrolled full-time or part-time in the Spring 2021 semester (face-to-face or online) as a degree-seeking student; and
- be a U.S. citizen, or a non-citizen who is eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 (i.e., be eligible to receive federal student aid).

Students enrolled exclusively in online/distance learning are also eligible.

Lander has prioritized students with exceptional need in awarding the emergency financial aid grants.

Full-time students who meet the eligibility requirements [above] will receive a grant of \$500, with additional allotments of \$500 for each of the following criteria that apply:

- Initial gross need of \$5,000 or more, as determined by the Free Application for Federal Student Aid (FAFSA)
- Remaining need greater than \$500 (gross need minus financial aid offered)
- Pell Grant recipient, indicating exceptional need

In summary, eligible full-time students will receive between \$500-\$2,000, depending on demonstrated financial need.

Part-time students will be evaluated using the same guidelines; however, funding will be prorated and based on the student’s actual hours of enrollment.

Students are permitted to apply their award, from the student share of HEERF III funding, toward educational expenses, including tuition and fees.

Students with outstanding balances are given the option to electronically consent their affirmation and apply this aid toward their Fall 2021 balance. Any excess between their eligible award and amount due the university will be refunded to the student.
