Support the Bearcats with your membership

On behalf of our more than 250 student-athletes and athletics staff at Lander University, we thank you for your continued support of the Bearcat Club. As a member of the Bearcat Club, you help support Lander's athletics program in many ways. The club provides funding for scholarships and team travel, sponsors the annual Athletic Banquet and the Hall of Fame Program, and purchases needed equipment.

We need your financial support again this year. Why do we need your contributions?

Here are a few great reasons:

- Lander's state appropriations have been cut more than 37 percent in the last five years
- Rising operating costs
- Increased travel costs
- Remain competitive in the Peach Belt Conference
- Sponsor Athletic Banquet

Lander Athletics is committed to recruiting the type of student-athletes who excel not only on the fields and courts but those who are successful in the classroom. Our student-athletes are worthy of your financial support. Your generosity is truly appreciated.

The Jeff May Complex

RECREATION • WELLNESS • SPORTS

Lander's newest endeavor, the Jeff May Complex, is the university's state-of-the-art facility for recreation, wellness and sports. The 28-acre complex on Montague Avenue in Greenwood serves as home to Lander's baseball, softball, soccer and tennis teams. It also features an open-air pavilion, an intramural field, a walking/jogging track open to the community and a soon-to-be-constructed field house.
