

Lander University Bearcats

2011-2012 Visiting Team Travel Guide

Welcome to Lander University, Home of the Bearcats. Here at Lander, we take pride in knowing that our staff and our student-athletes adhere to the policies and procedures of Lander University, the athletic department, Peach Belt Conference, and NCAA.

Our goal is to educate students and student-athletes to live a life of meaningful activity, of personal satisfaction, and of service to others as a neighbor and a citizen. We have numerous athletic teams that are continually ranked within the top 25 in the country, and are highly competitive in the Peach Belt Conference and NCAA Division II. Our men's tennis, golf, and soccer teams, as well as our women's basketball team, have made recent appearances in regional and national tournaments.

ATHLETIC TRAINING

The Lander University Athletic Training Room is located on the first floor of Horne Arena. During your visit, the athletic training staff will be available at least two hours before competition for pre-game taping and treatments. If your team will not be traveling with a certified athletic trainer please notify the athletic training staff prior to the day of competition to discuss any treatments your athletes may need; please send materials for tapings/wrappings. During all PBC contests, visiting coaches of teams not traveling with a certified athletic trainer are expected to abide by the decisions of the home institution's certified medical personnel as it relates to the ability of a student-athlete to compete.

Each visiting team's bench will have a 10-gallon cooler of ice water, cups, and injury ice with bags. The home team's bench will have emergency equipment available: AED, spine board, splint bag, crutches, biohazard container, etc. There will be a certified athletic trainer onsite and EMS and a physician will either be present or on-call during the event.

Thank you and have a safe trip,

Lander University Athletic Training Staff
