2010 Calendar Year Safety, Security Report, and Fire Safety

In Compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

Statistical Information/Criminal Offenses

This refers to how the annual security report is prepared. Include a brief description explaining the purpose of the report, who prepares it and how and from what sources the crime statistics are collected.

The University Police prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at www.lander.edu. This report is prepared in cooperation with the local law enforcement agencies surrounding our main campus and alternate sites, Housing and Residential Services, the Judicial Affairs Office, and the Division of Student Affairs. Each entity provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the Lander University Police, designated campus officials (including but not limited to directors, deans, department heads, judicial affairs, advisors to students/student organizations, athletic coaches), and local law enforcement agencies. Department of Counseling and Health Services staff inform their clients of the procedures to report crime to the University Police on a voluntary basis, should they feel it is in the best interest of the client.

Each year, an e-mail notification is made to all enrolled students and to Faculty and staff that provides the web site to access this report. Copies of the report may also be obtained at the University Police Department located at Genesis Hall Building. All prospective employees may go to our web site at www.lander.edu.

Safety on the University campus is a natural source of concern for parents, students and University employees. Education, the business of Lander University, can take place only in an environment in which each student and employee feels safe and secure. Lander University recognizes this and employs a number of security measures to protect the members of its community. Lander University is in an area that has a relatively low crime rate, but no campus is totally isolated from crime. Consequently, crime remains a high priority.

WELCOME TO LANDER UNIVERSITY

MESSAGE FROM THE DIRECTOR

Welcome to Lander University Police Department's website. Through this site you will be able to learn about our mission, our staff, and the many services that we provide to the University community of Lander. You will also find important information about campus safety and crime statistic information compiled by our department.

Lander University is a community of more than 3,500 on a beautiful historic campus in Greenwood, South Carolina. Living and working in a tranquil environment such as Lander sometimes causes us to forget that crime and other problems can plague us, just as they do other communities.

The University Police Department works with the community to create a reasonably safe campus. Crime prevention, risk identification, and problem solving are the responsibilities of everyone. We ask you to join us in these efforts by referring to our web-site for safety and security information.

The University Police Department is the primary Department at the University charged with creating a safe and secure environment. This task, however, is not one we can accomplish alone. Information and awareness are important components of Crime Prevention and Safety. Communication is critical while striving to create this Partnership. Your cooperation in reporting crimes or suspicious activities will enhance our effort to provide a safe education environment.

We hope you find this report informative and helpful and that your visit or stay at Lander will be enjoyable and safe. If you have questions or would like further information about safety and security at Lander University, please visit us at www.lander.edu or contact us at (1-864-388-8222).

LANDER UNIVERSITY POLICE DEPARTMENT

Who we are:

Lander University Police officers are sworn and certified officers with comprehensive arrest powers in the State of South Carolina. These officers have graduated from the South Carolina Criminal Justice Academy and are tasked with law enforcement activities including patrolling campus and monitoring activity, responding to calls for service, and investigating criminal activity. University Police officers are appointed state constables by the Governor of South Carolina and are fully certified police officers with statewide authority. University police officers have the authority to enforce all applicable Federal laws, State laws, Greenwood county and Greenwood city ordinances, and University regulations. Officers work closely with the Greenwood Sheriff Department and the Greenwood Police Departments, and local contingent of the State Law Enforcement Division (SLED), to handle any incidents that occur off-campus or on-campus. The University Police Department and the Division of Student Affairs ensure that safety and security policies and procedures are uniformly executed and conveyed in a clear and consistent manner to the student body.

Officers patrol the campus 24 hours a day by motor vehicle, bicycle, golf cart, and on foot. Officers are in radio communication with each other and the Department.

The Communications center is manned 24 hours a day, every day. The communications center is responsible for taking telephone requests for service, dispatching officers, and monitoring alarm and video systems. All personnel may be reached at the University Police Department by calling 388-8222 (non-emergencies), or 8-911 (emergencies). You can also come by our office in the Genesis Hall across from Chipley Hall.

The on campus emergency phone number is 8911. This number directly connects any campus phone with the University Police Department and should be used when fire, police, or medical response is required. This number is published in the University telephone directory and in the Student Handbook. In addition to outdoor emergency call boxes provide one-button instant communication with the University Police Department and are located around campus.

ACCESS TO CAMPUS FACILITIES

During academic semesters, academic buildings at the University are open for access by students, faculty, staff, and visitors between 7am and 11pm, Monday through Friday. Outside doors are locked at other

times, although faculty and staff who work in a building may be given keys. The University encourages an open environment with limited constraints to ensure the reasonable protection of all member of the community.

Lander University is committed to campus safety and security. Landscape and exterior lighting control is a critical part of that commitment. Representatives from various department and member of the student body conduct safety walk on campus during the fall and spring checking the exterior lighting and the landscape to see if more lighting is need on the campus. The University Police conduct routine checks of lighting on campus during regularly assigned patrol duties. If lights are out or dim, officer will initiate an immediate work order, which is acted upon by a representative of the Physical Plant. We encourage community member to report any lighting problem to the Physical Plant at 388-8200. Any community member who has a concern about security should contact the department at 388-8222. The Physical Plant has a locksmith assigned to work and to identify inoperative locking mechanism and a maintenance staff that are available to respond to calls 24 hours a day for regarding unsafe facility condition or personal safety and property protection.

Student Residence Hall Safety

Maintaining a safe living environment is one of the fundamental missions of the Department of University Housing. Residence hall entrances are equipped with either a keyed access entry system or Card access. As a safety measure, all out side doors to the residence halls are locked at all times. Centennial Hall and Chipley Hall are staffed by Residence Hall Monitor from 12:00 A.M. to 12:00 p.m. whenever these facilities are in use. Students entering the residence halls during these times will be subject to having their ID cards checked and all guests will be required to sign in and to identify the students whom they are visiting. Room keys control access to the residents' rooms and apartments. Many exterior doors are equipped with alarms and/or security cameras that are monitored 24 hours per day by University Police dispatcher and resident hall monitors. Finally, the University Police Officers conduct night walking patrols of all residence hall communities.

In addition to the above measures, it is essential that the University Police have the support and cooperation of all residents to maximize individual and community safety and security. Residents must never prop open doors or let unauthorized persons enter the buildings. Residents should always lock their room doors, and report suspicious persons or activities noted in or around their buildings. Student who are locked out of there rooms may call University Police (8222) for assistance. University Police will assist students in unlocking their room as a courtesy, one time only. Thereafter, there will be a \$5.00 charge for unlocking doors and the Housing Office will be notified. Student will be asked to identify themselves before a room is unlocked.

Off Campus Safety

When a crime has been committed at an off-campus location of a recognized student organization it should be reported to local law enforcement agencies. The University Police Department does not work off campus crimes, but works with the local law enforcement agency, which will conduct the investigation; to obtain information about any incident as soon as possible after it has occurred. Victims of criminal acts may obtain a copy of the police incident report from the agency of jurisdiction. The Office of Student Affairs handles student violations of conduct regulations that occur off campus.

A LEGISLATIVE HISTORY OF THE CLERY ACT

The Student Right to Know and Campus Security Act (Public Law 101-542) was signed into law by President Bush in 1990 and went into effect on Sept. 1, 1991. Title II of this act is known as the Crime Awareness and Campus Security Act of 1990. This act amends the Higher Education Act of 1965 (HEA) by adding campus crime statistics for the most recent three years, as well as disclosure of the institution's current security policies. Institutions are also required to issue timely warnings when necessary. All public and private Title IV eligible institutions must comply with the requirements of this act which is enforced by the U.S. Department of Education (ED).

This law was amended when Congress enacted the Campus Sexual Assault Victim's Bill of Rights as part of the Higher Education Amendments of 1992. (Public Law 102-325, Section 486 (C), giving victims of sexual assault on campus certain basic rights. In addition, institutions are required to develop and distribute a policy statement concerning their campus sexual assault programs targeting the prevention of sex offenses. This statement must also address the procedures to be followed if a sex offense occurs.

The most recent version of this law was passed as part of the Higher Education Amendments Act of 1998 (Section 486 (e) of Public Law 105-244). The official title under this act is the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 U.S.C. 1092 (f)). On Nov. 1, 1999, ED issued the final regulations which went into effect on July 1, 2000. The amendments require ED to collect, analyze, and report to Congress on the incidences of crime on college campuses. The amendments also expand the requirement of the Student Right to Know and Campus Security Act of 1990 that all institutions of higher education participating in the federal student aid programs must disclose to students, faculty, staff, and, upon request, prospective students, information regarding the incidence of crimes on campus as part of their campus security report.

The 1998 amendments made several changes to the disclosure requirements. Among these changes were the addition of two crimes (Arson and Negligent Manslaughter) and three locations (residence halls, non-campus buildings or property not geographically contiguous to the campus, and public property immediately adjacent to a facility that is owned or operated by the institution for education purposes) that schools must include in the reported statistics. Institutions that have a campus police or security department are required to maintain a daily crime log that is available to the public.

The Clery Act was further amended in October 2000 by the Campus Sex Crimes Prevention Act (Section 1601 of Public Law 106-386). The changes went into effect on Oct. 28, 2002. Beginning in 2003, institutions are required to notify the campus community where law enforcement agency information provided by a state concerning registered sex offenders who are on campus may be obtained.

The text for the regulations, as well as Section 668.41, Reporting and Disclosure of Information, are included in this appendix.

(CLERY ACT)

The Campus Security Act requires colleges and universities to:

- *Publish an annual report every year by October 1 that contains three years campus crime statistics and certain campus security policy statements;**
- *Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other University officials who have “significant responsibility for student and campus activities;”**
- *Provide “timely warning” notices of those crimes that have occurred and pose an ongoing “threat to students and employees;”**
- *disclose in a public crime log “any crime that occurred on campus...or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department.**

The Lander University Police Department is responsible for preparing and distributing the annual report. The statistics demonstrate that the University is an extremely safe campus, and we believe that is based in part on the combined efforts of many University departments and member of the University community. Safety is everyone responsibility and we rely on each member of the Lander community to contribute to security on our campus by reporting suspicious activities and using common sense when out performing their daily activities.

TIMELY WARNING NOTICES (CAMPUS SAFETY ALERTS)

The University Police Department, in conjunction with other departments on campus, issues Campus Safety Alerts in a timely manner to notify the University campus about certain crimes in and around our campus. Members of the community who know of a crime or other serious incident should report that incident as soon as possible to the University Police Department so that a Campus Safety Alert can be issued, if warranted.

If community members report crimes or serious incidents to other University administrators, those administrators will notify the University Police. Representatives of these offices will promptly notify and collaborate with University Police to issue Campus Safety Alerts, if one is appropriate.

Distribution of Campus Safety Alerts:The Department distributes Campus Safety Alerts in various ways. Once the University determines that an alert will be issued the Department emails, text messages, posts it on web site (www.lander.edu) Info-box. The department also post alerts on bulletin boards throughout campus.

DAILY CRIME LOG

The University Police Department maintains a Daily Crime Log that records, by the date the incident was reported, all crimes and other serious incidents that occur on campus, in a non-campus building or property, on public property, or within the department's patrol jurisdiction.

The daily crime log is available for public inspection at the department's headquarters. The Daily Crime Log includes the nature, date, time, and general location of each crime reported to the department, as well as the disposition of the complaint, if this information is known at the time the log is created.

The department posts specific incidents in the [Daily Crime Log](#) within two business days of receiving a report of an incident and reserves the right to exclude reports from the log in certain circumstances.

REPORTING CRIMINAL INCIDENT AND EMERGENCIES CONTACT

The University Police Department encourage anyone who is the victim or witness to any criminal activity, suspicious situations or emergencies to be reported to the University Police Department by dialing 8911. Individuals also may report incident in person at the Departments headquarters at the Genesis Bldg. Police officers may be reached from the emergency numbers listed below.

The University has installed an emergency telephone network on campus to enable the Lander community to call for help or to notify the University Police Department in the event of an emergency. The system is comprised of twenty-seven stations, each consisting of a telephone call box mounted on a pole with a speaker, number pad, and two large buttons. The red button will activate the emergency system and automatically dial the University Police Department. The black button enables the caller to make routine on-campus telephone calls.

All reports will be investigated; the University does not have procedures for voluntary, confidential reporting of crime statistics. Violation of the law will be referred to law enforcement agencies and when appropriate, to the Judicial Affairs for review. When a potentially dangerous threat to the University community arises, timely reports or warnings will be issued through text-messages, e-mail announcements, the posting of flyers at local campus, in-class announcement, or other appropriate means.

Dating Violence

Lander University is committed to providing on-campus security, education, training and victim services to combat violence against all persons. “Dating violence is defined as violence committed by a person “who is or has been in a social relationship of a romantic or intimate nature with the victim;” and “where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the people involved in the relationship.

The University Counseling Services offers support and counseling for individual who have experienced dating violence. That support may be through individual or group counseling. Counseling is also available for friends and partners of people who have experienced this kind of violence.

A student victim of dating violence has the right, in addition to filing charges through the criminal justice system, to file a complaint with the Office of Student Affairs, relative to an act of violence toward them or another committed by Lander University student(s). It does not matter whether the act of violence occurred on campus or off campus since the University reserve the right to hold student accountable for certain types of off-campus behavior. Disciplinary action will result if a student’s behavior jeopardizes the educational atmosphere or mission of the institution. Examples of such off-campus behavior would include, but not be limited to crimes of violence, sexual assault and/or drug violations. Judicial response to act(s) of dating violence can result in charges against the accused under the Lander University code of Student Conduct.

CAMPUS SECURITY AUTHORITY (CSA)

In addition to campus law enforcement, students and employees are encouraged to report criminal offenses to Campus Security Authorities (CSA’s) on our campus. Individuals may not want to reveal their identity or press charges in certain situations and consistent with those preferences, they can report an incident to one of the following employees so that an anonymous report can be forwarded to the University Police Department for statistical purposes: Residence Hall Assistants (RA’s) and Residence Hall Directors (RD’s), the Assistant Director and the Director of Residence life, the Vice President of Student Affairs, the Dean of Students and the Assistant Dean of Students, the Greek life Coordinator, the Assistant Director of Student Activities, Faculty Advisers to recognized student groups, the Athletic Director, the Assistant Athletic Directors, Athletic Team Coaches, Athletic Advisors, UAC Advisors, the Provost, the Multicultural Student Services Director, Campus Recreation / Intramurals Director, Career Services Director, the Director of International Programs, the Director of Health Services. CRIME PREVENTION

The active cooperation and participation of all our community is essential in order to successfully combat crime. One of the most effective actions anyone can take to prevent crime is to quickly report anything that appears suspicious. Reports can be made to the University Police Department or to any Campus Security Authority. Through a cooperative effort between the University Police, Residence Life, and Counseling Service, program on personal safety and security, rape prevention and response, date rape, substance abuse, self –defense and resistance to burglary, larceny and vandalism are available throughout the school year. Resident assistance are encouraged to offer programs throughout the year to students in their area on varying personal safety topics. In addition to programming effort throughout the year, the University Participates in the National Collegiate Alcohol Awareness Week, a week devoted specifically to alcohol and substance abuse prevention. Through this awareness program, members of the University community learn more about the University’s efforts to enhance their safety and become aware of their own personal stake in their own security and that of others.

Housing Tips

Although on-campus housing is often your best bet as far as safety and security are concerned, many students prefer to find off-campus housing. When looking into rental properties there are a few very basic safety features and policies which you should consider before signing a lease.

- 1) Doors should be made of metal or solid wood construction. Good deadbolt locks and peepholes are also a must.
- 2) Make sure the management changes locks or permits the tenant to change them when moving in.
- 3) Sliding glass doors should be secured with pins through the frame or have a “Charlie bar” locking device.
- 4) Apartments located on the second floor, or higher, are safer. Being on the ground floor makes entry through windows easy. Ground floor windows should be secured with pins through the frame or key lock latches.
- 5) Hallways and stairwells should be well lit at night. Mirrors to help you see around hallway corners are also important.
- 6) Bushes and shrubbery should be well maintained and cut back below window height to reduce the risk of attackers hiding in them.
- 7) Is access to the complex limited to residents and guests?
- 8) Is there on-site security? Is there a neighborhood watch program?
- 9) Have there been any burglaries in the complex, and if so, how did the burglars gain entry?
- 10) Ask management about the availability of extra keys to your apartment. If there are extra keys, ask how they are secured and who has access to them.
- 11) Ensure parking areas are well lit at night and afford a clear line of sight to your apartment door
- 12) Ask management if they have a policy against installing intrusion alarms in individual apartments. If not, installation of a simple alarm system might be a good option for additional security at a relatively low expense.

Keep in mind that looks can be deceiving. Just because a complex is new does not mean that it is safe. Look closely at the apartments you are considering. If they don’t have the majority of the safety features listed above you should probably keep looking. When it comes to your safety you should not compromise.

LANDER UNIVERSITY ALCOHOL / DRUG POLICY

Alcoholic beverages are not allowed in any Lander University residence halls or public campus areas without specific permission from the university administration. “Public” is defined as areas that are readily accessible to students, faculty, staff and guests on campus. Consumption and possession is prohibited in all university residence hall facilities and grounds. To remain in the vicinity where alcohol and/or drugs are present even without consuming or possessing is prohibited. This included individual rooms, kitchens, decks, stairs, parking lots, athletic fields/courts and adjacent parking lots. See general policy on Alcohol and Other Drugs.

The unauthorized possession, use, manufacture, sale or distribution of any counterfeit, illegal, dangerous, “designer” or controlled drug or other substance is prohibited.

Lander University prohibits the unlawful use, possession, sale or distribution of alcohol and illegal drugs on the campus and property of Lander University, or during any function specifically sponsored by the university. Reporting to work or class under the influence of drugs or alcohol is strictly prohibited. Individuals violating this policy are subject to criminal prosecution as well as university disciplinary action up to and including separation from the university. Persons convicted in criminal court of illegal use, possession, sale or distribution of alcohol or drugs are subject to prison sentences up to life in prison, as well as substantial fines.

Lander University provides substance abuse counseling and referral services for any student or employee who wishes to use them. Such services are provided at no charge and in strict confidence. In addition to individual counseling and referral services, Lander University provides educational programs which address the health risks and criminal sanctions associated with the use of drugs and alcohol.

This policy is subject to change to comply with local, state or federal laws pertaining to the possession and consumption of beer, wine or distilled spirits.

Lander University permits the sale of alcoholic beverages only at limited, pre-approved events. The serving of alcoholic beverages during any selected special events must be pre-approved by the appropriate university officials and adhere to federal, state and local laws regarding the sale, distribution, possession and consumption of alcohol. Possession and consumption of beer, wine and distilled spirits is prohibited with the exception of approval on a per event basis. Applications for approval of these events are made through the office of the vice president for Student Affairs, and must be made at least two weeks in advance in order to secure the appropriate approval. Only students 21 years of age or more will be permitted to possess or consume beer, wine or distilled spirits at approved events.

Because of the danger of drug abuse, Lander University does not condone drug use. The possession of stimulants depressants, narcotics or hallucinogenic drug and other agents having potential for mental or physical abuse is prohibited, as is the selling, bartering, exchanging and giving away of such drugs to any person not indented to possess them. The use of drugs is governed by state and federal laws, and penalties for improper circumstances are severe. Person in violation of this policy are subject to disciplinary action which could result in probation, suspension or expulsion

SEXUAL HARASSMENT

Lander University subscribes to the guidelines of the Equal Employment Opportunity Commission of the federal government that protects students and employees against sexual harassment. The guidelines that define sexual harassment are as follows:

- 1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic status; or
- 2) Submission to or rejection of such conduct is used as the basis for employment or academic decisions affecting the individual; or
- 3) Such conduct has the purpose or effect of unreasonable interference with an individual's work, performance or educational experience, or creates an intimidating, hostile or offense work or educational environment.

These guidelines also provide that a student who is the victim of sexual harassment should file a complaint with either the vice president for Student Affairs or the president of the university.

SEXUAL ASSAULT

SEXUAL ASSAULT POLICY

Lander University will impose sanctions on individuals who commit sexual assault. In cases involving a student, a temporary (immediate) suspension may be imposed, which means the accused cannot attend classes until an administrative hearing is held. In other cases, the accused may be permitted to attend classes pending a final recommendation from the vice president for Student Affairs. Among other sanctions that may be imposed are the following: admonition, censure, probation and the restriction of privileges, suspension, expulsion and eviction from university housing. Both the accuser and the accused will be informed of the outcome of any institutional disciplinary proceeding brought alleging a sex offense.

Reporting Sexual Assault

Reporting a sexual assault to University Police may help to prevent another assault. Immediately following an attack, memorize as much detail as possible about the attacker. Call the Lander University Police Department at extension 8911 immediately. This does not obligate you to file charges or testify in court. If you prefer not to call University Police but you want to make it known that a rape occurred, you may contact any of the following: vice president for Student Affairs, director of Housing, Health Services or Counseling Services. Do not bathe, douche, change clothes or rinse your mouth. These actions may destroy evidence. Even if you choose not to become involved with police, you should seek medical assistance at Health Service, Self Memorial Hospital, Montgomery Family Health Center or Express Medical Care.

Lander University Police Procedures

When you notify University Police that a rape has occurred, the following will occur:

- 1) A uniformed officer will come to your location to help you obtain emergency medical treatment, assure your safety and obtain a description of the suspect. He or she will ask for the location and the time of the assault, a description of the assailant and a description of your injuries.**
- 2) The officer and/or investigator will be assigned to the case. All members of the University Police Department have been trained in the investigation of sexual offenses and the crime's impact on the victim. These officers will approach each case in a sensitive manner.**
- 3) University Police will request a medical examination to ensure that you have suffered no physical injury and so that a medical report can be completed for use in a court proceeding if charges are pressed. You will be examined by a trained sexual assault specialist.**
- 4) You will be interviewed. (You may specify the gender of the officer.) If you have asked a friend or counselor for support, he or she can be with you at this time.**
- 5) With your consent, a report of the incident will be sent to the vice president for Student Affairs. If the suspect is a Lander student, disciplinary action may be initiated.**

Victim Assistance Pledge

The Lander University Police Department makes the following pledge to anyone who feels he or she is a victim of sexual assault on campus

***We will meet with you privately, at a place of your choice, to take a complete report.**

***Our officers will not prejudge you, and you will not be blamed.**

***We will treat you with courtesy, sensitivity, dignity and professionalism.**

***We will assist you in privately contacting counseling, safety, advising and other available resources.**

***We will fully investigate your case and help you achieve the best possible outcome.**

***We will continue to be available to you, to answer your questions, to explain the process and be a listening ear if you need one.**

***We will consider your case seriously.**

Most rapes and sexual assaults are committed by acquaintances. The following are general suggestions for reducing your risk of sexual assault.

Be Assertive, Direct, And Clear

Be direct about reaching an understanding with a friend or date. Don't assume an earlier understanding still holds. Knowing someone, even intimately, is no defense against a charge of sexual assault. Sex without consent is rape, whether the coercion used is physical or emotional. Non-stranger rape is a criminal offense.

Don't accept a ride from someone you have just met, no matter how nice he seems.

Remember that alcohol and drugs impair not only your judgment but also your ability to make that judgment clear to someone else. And if you are socializing with a group that is using alcohol or drugs, their judgment, and their ability to understand you, will also be impaired.

On college campuses across the country, **alcohol or drugs play a major role in 79 percent of sexual assault incidents.**

Be Informed

The South Carolina Law Enforcement Division (SLED) is required to act as the repository for the registration information concerning those persons convicted of a sex crime who reside within the state of South Carolina. The South Carolina Sex Offender Registry is available online at <http://services.sled.sc.gov/sor/>.

The University Police Department offers free programs on personal safety for women. They emphasize alertness, prevention, and preparation. Call the University Police Department at (864) 388-8222 or extension 8222

WHEN A SEXUAL ASSAULT OCCURS

An off-campus assault should be reported to the local law enforcement authorities by dialing 911. If you are sexually assaulted on campus, report it to the University Police at 8222 or extension 8911 immediately.

Calling the police does not commit you to pressing charges against the assailant. That choice can be made later.

Because it is important to preserve as much physical evidence as possible, do not bathe, douche, or change clothes. Call 911 or 8911 immediately for further instructions. The operator will ask questions to help determine if you need emergency medical care for physical injuries and will arrange transportation to either a local hospital emergency center. A sexual assault nurse examiner with special training in working with sexual assault victims will perform an evidence collection exam. This exam must be performed within 72 hours of the assault. The nurse will discuss pregnancy prevention, and the prevention of sexually transmitted infections. She will also provide information about follow-up testing for pregnancy and sexually transmitted infections, including HIV.

AFTER A SEXUAL ASSAULT

Sexual Assault Referral Service

The University Police Department or local law enforcement departments can provide guidance in obtaining services needed once the immediate medical requirements have been addressed.

Disciplinary Procedures

Procedures for disciplinary actions are found in the Lander University Code of Conduct. The booklet is available online or at the Student Affairs office. In actions involving allegations of sexual assault, both the accuser and the accused are entitled to have others present during the proceedings and both are informed of the outcome. Disciplinary sanctions which may be imposed upon a student found in violation of University conduct regulations are tailored to the facts and circumstances of the particular case.

Counseling And Support

If you wish to discuss the situation further, there are various counseling services in the area which can be of assistance.

CHANGING LIVING AND ACADEMIC SITUATION

If a Lander University student who is a survivor of a sexual assault or relationship violence request a change in her or his living arrangements or academic schedule, the Office of V.P. of Student Affairs will make changes to a student's living or academic arrangement, as long as those change are reasonable available.

VICTIM NOTIFICATION

Lander University Police Department will, upon written request, disclose to the alleged victim of any crime of Violence, or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense with respect to such crime or offense. If the alleged victim of such crime or offense is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim.
