

2008-2009 Graduate Degree Candidacy Update

On your FAFSA form, you indicated that you will be pursuing a graduate degree in the 2008-2009 academic year. Our records indicate that you are currently listed as a first undergraduate degree student at Lander. It is important that we get the correct answer for this question in order to determine your eligibility for aid, especially for certain grants.

Please mark the answer that best describes your situation:

1. I have already graduated from college and am enrolled in a second undergraduate program.*
2. I have already graduated from college and am enrolled as a graduate student.
3. I will graduate from college and become a graduate student after the Summer of 2008.
4. I will graduate from college and become a graduate student after the Fall of 2008.
5. I will graduate from college and become a graduate student after the Spring of 2009.
6. I will graduate from college and become a graduate student after the Summer of 2009.
7. I plan to be an undergraduate student at Lander and working on my first bachelors degree for the entire academic year.*
8. I am not seeking a degree from Lander University during the 2008-2009 academic year.

Certification Statement:

The information above is true and accurate to the best of my knowledge. I understand that answering incorrectly may change my eligibility for financial aid and that I may be required to provide additional documentation to complete my federal aid package. I further understand that the Office of Financial Aid will not process my aid any further until I have completed this form.
