Documents that you provided indicate that one of your household members is a member of the clergy. Federal regulations require that we confirm any untaxed income received such as housing, food, and other living allowances paid from January 1, 2008 – December 31, 2008. You must include any cash payment, as well as the cash value of benefits. For example, if a parsonage is provided, what is the fair value of rent for a year to live there?

Please provide the following information:

Name of Clergy Member	Relationship to Student	Amount of housing/food/other living allowances paid to member of clergy for 2008 (Jan. 1st-Dec 31st). Include cash payment and cash value of benefits.
