I certify that I am an emancipated minor or was an emancipated minor immediately before I reached the age of being an adult in my state. In order to be eligible for this status, your emancipation decision must have been rendered in a court located in your state of legal residence at the time the court's decision was issued. You either have to be an emancipated minor as of the time you complete your FAFSA, or have been an emancipated minor immediately before you reached the age of being an adult in your state. If you are not yet of adult age, the court order must still be in effect.

- o Please attach a copy of the court order designating your status as an emancipated minor

I do not meet the definition of an emancipated minor. Since you do not qualify as an independent student based on being an emancipated minor, you will need to:

- o Correct your FAFSA by answering **NO** to the question #56 "Are you or were you an emancipated minor as determined by a court in your state of legal residence?" in STEP 3.
- o Complete the FAFSA with parent (and if applicable, step-parent) information in STEP 4.
- o If you feel you have special circumstances, you may review and submit the 2009-2010 Dependency Appeal Form available at <http://www.lander.edu/finaid/forms> to the Lander University Office of Financial Aid.

I declare that all the information reported on this document is true and accurate. I understand that any false statement or misrepresentation will be cause for denial, reduction, withdrawal and/or repayment of financial aid.
