

2009-2010 Selective Service Registration Confirmation

We are unable to continue processing your 2009-2010 application for financial aid due to a discrepancy on your FAFSA/Student Aid Report. In order to be eligible for federal student aid, you must be registered with Selective Service if you are a male and are 18 through 25 years of age. The Selective Service could not confirm that you are registered with them. Follow the instructions below to resolve the problem.

Step 1 Check your 2009-2010 FAFSA/Student Aid Report (SAR) to make sure the following information is correct:

- Questions 1-3 - Your last name, first name and middle initial (as it appears on your Social Security Card)
- Question 8 - Your Social Security number reported on the Student Aid Report
- Question 9 - Your date of birth
- Question 21 - Are you male?
- Step 7, Item 106 - Your signature (and one parent's signature if you're a dependent student)

If these items need to be corrected, make corrections on your FAFSA using your PIN at <http://www.fafsa.ed.gov/>. Be sure to have you parent sign electronically using his/her PIN if you are a dependent student. Alternately, you can make corrections on your paper Student Aid Report if you received one and mail it back to the Federal Processor (address listed on SAR).

If this step resolves the problem and you receive a valid FAFSA with a calculated EFC, no further action is needed. If this does not resolve the issue, proceed to Step 2.

Step 2 Check the category listed below that best describes your situation and take the appropriate action:

- I am a male US citizen or eligible non-citizen between the ages of 18 and 25 and have registered with Selective Service.** You will need to provide the Financial Aid Office with a copy of your registration card, a Registration Acknowledgement, or a "Quick Response Letter" from Selective Service at www.sss.gov.
