The use of Lander University's network resources for interactive gaming, which includes game consoles such as Xbox and Playstation, is permitted as long as doing so does not impair network security or integrity in any way. The performance of interactive games is not guaranteed; and, Lander University Information Technology Services does not offer support in any form for these devices. Lander University reserves the right to restrict or deny network bandwidth to interactive gaming devices in order to ensure adequate network resources are available to support academic functions and the overall performance of the campus computing environment.
