

PRELIMINARY ACADEMIC HONORS - December 2009

This is a preliminary list of academic honors for December 2009 graduation. This is not a final list. After the submission of final grades and clearance of graduation candidates, a final list will be compiled and students could either lose or gain honor status. The Registrar's Office will attempt to contact students regarding any changes the day before graduation. A final list will be posted after graduation. Explanation of academic honors is available in the university catalog under "Academic Regulations". If you have any concerns or questions, please contact Mrs.
