Institutional Review Board (2026-2027)

Appointed By: President

Reports To Provost and VPAA

Membership

The membership of the Institutional Review Board shall consist of at least seven faculty members and one member from the community. Preference will be given to members from the following academic programs: Management, Nursing, Physical Education and Exercise Science and Human Performance, Psychology, and Sociology. Members serve three-year terms and are eligible for reappointment.

Function

The purpose of the Institutional Review Board is to review applications for proposed human subjects research and to determine adherence to the guidelines for ethical research. The committee operates in accordance with the Code of Federal Regulations for research with human subjects.

Procedures

The Committee meets periodically at the call of its Chair to perform its function as stated above.

The Committee reports to the *VP of Academic Affairs*.

(10/8/14 - committee name changed from "Human Subjects Subcommittee")
