## Advisory Committee on Individuals with Disabilities (2022-2023)

**Appointed By:** President

**Reports To** President

### Membership

The Advisory Committee on Individuals with Disabilities will consist of the director of human resources (or designee), chair; the director of engineering services; the vice president for student affairs; three members of the faculty; Benefits Manager; the advisor for students with disabilities; two students; a representative from the library; and the director of student health services. Faculty members shall serve for three years and shall be eligible for reappointment after one year has passed since the end of their previous appointment.

### Function

The Committee provides counsel and suggestions to the University to aid in ensuring that the institution is providing equal opportunity accessibility to individuals with disabilities and/or impairments.

### Procedures

The Committee meets periodically at the call of its Chair for the specific purposes of continuing to evaluate the facilities of the University to insure accessibility; to evaluate University policies and procedures within the parameters of the Committee's responsibility; to provide counsel to the University on any ADA-related issue; and to update, monitor, and fulfill Lander University's Transition Plan goals.

The Committee reports to the President.
