## Institutional Animal Care and Use Committee (2021-2022)

**Appointed By:** President

**Reports To** Provost and VPAA

### Membership

The membership of the Institutional Animal Care and Use Committee shall consist of the dean of the College of Science and Mathematics, who will serve as chair; a doctor of veterinary medicine; a practicing faculty scientist; a fulltime employee who is not involved in animal research; and a community member. Members serve three years terms and are eligible for reappointment.

### Function

The Institutional Animal Care and Use Committee is charged with reviewing and approving all proposed uses of live vertebrate animals in teaching and research.

### Procedures

The Committee meets periodically at the call of its Chair to perform its function as stated above.

The Committee reports to the *VP of Academic Affairs*.
