General Education Council (2022-2023)

Appointed By: Director of General Education

Reports To Associate Provost

Membership: The membership of the committee includes the Director of General Education (chair), the Associate Provost (ex officio), the Director of Institutional Effectiveness (ex officio), and one representative from each academic department who serves as the GE coordinator for their area.

Functions:

1. Ensure assessment data is collected from GE courses and reported to the Director of Institutional Effectiveness.
2. Facilitate discussions with GE course instructors regarding the improvement of student learning.
3. Consult on matters of the curriculum as it applies to GE.

Procedures: The committee meets on an as-needed basis from August through May. Membership is confirmed each academic year by the Chair with input from deans, department chairs, and current GE coordinators.
