

# Lander University Committee Assignments

Wednesday, August 23, 2023

---

## Public Safety Committee (2023-2024)

**Appointed By:** VP Business

**Reports To** VP Business

### Membership

The Public Safety Committee shall consist of the Lander University Police Chief, who will serve as chair; the administrative assistant in the Office of Business and Administration, who will serve as recorder; the Director of Residence Life; the facility coordinator of the Joe V. Chandler PEES Center; the Director of Wellness Center; the Maintenance Superintendent; two faculty members; and two students.

### Function

The committee receives recommendations from the members of the University community and University committees concerning safety on campus, primarily in relation to hazardous weather and lighting and the safety and security of individuals in the University community as well as of their property.

### Procedures

The committee will conduct safety walks in August and March of each year, as scheduled by its chair. The committee will meet as needed to review recommendations that may be forwarded to it by members of the University community.
