Student Affairs Advisory Council (2022-2023)

Appointed By:

Reports To

The Student Affairs Advisory Council works in conjunction with pertinent Student Affairs personnel to identify initiatives that support enhanced retention and success for all Lander University students. The Council reviews annual assessment data for the Division of Student Affairs and presents recommendations to improve, modify, or implement retention programs based on data, best practices, and/or other applicable higher education standards.

- The Council presents proposals and/or recommendations related to retention and long-range planning for Student Affairs.
- The Council may conduct periodic open student forums or opinion polls to determine the effectiveness of student life/development programs and services.
- The Council actively collaborates with Student Affairs functional areas, Academic Affairs, Enrollment Management, and other constituents regarding retention programs, efforts, and assessment.
- The Council evaluates diversity, equity, and inclusion efforts promoted by the Division to ensure the needs of all students are thoughtfully considered.
- The Council may recommend and/or establish other committees as deemed necessary to ensure the needs of all students are adequately met.
- The Council may serve as a sounding board for concerns related to quality of life and the Lander experience from acceptance to graduation.
- As necessary, the Council may be called to serve as a hearing body for alleged violations of student life social policies.

The Council meets a minimum of four times per academic year. Additional meetings may be called as necessary.
