Lander University is dedicated to fostering an environment of equal opportunity and being recognized as an employer of choice. As an Equal Opportunity Employer, Lander is firmly committed to a policy of non-discrimination. We do not discriminate based on race, color, religion, sex, national origin, age, disability, or any other characteristic protected by law.

Our Promise to You

At Lander University, we promise that you will find a job within the first 60 days of graduation. If you don't, we want you to work for us. We believe in what we teach, and we know our students are set up for success. That's our Career Promise to Lander graduates: if you aren't able to find a job within 60 days of graduating, Lander will hire you as a graduate assistant and guarantee your admission into the Lander graduate program of your choice.*

*To qualify, students must graduate from Lander in four years with at least a 3.0 GPA. Additional admissions requirements may apply for specific graduate programs.
