COLLEGE OF BUSINESS

The mission of the College of Business is to produce forward-thinking business leaders who succeed in their careers and positively impact society. Results are delivered through a high level of interaction between students and faculty, providing hands-on and innovative learning experiences. The College impacts the knowledge base of business and the economic health of the region by engaging in professional and scholarly activity.

Bachelor of Applied Science (BAS) Business Administration Major

The Bachelor of Applied Science in Business Administration provides students who have completed an Associate of Applied Science or have accumulated undergraduate credits from an accredited institution a pathway for completion of the baccalaureate degree. The program is designed to aid students in completing a bachelor's degree and gaining essential advanced managerial and analytical skills needed in the workforce.

Students who complete the Bachelor of Applied Science in Business Administration degree will have a broad knowledge of management principles and skills and an in-depth understanding of business practices offered in this degree.

The goals for the College of Business are that Lander Bachelor of Applied Science in business graduates will:

1. have fundamental and applied business knowledge.
2. understand the manager's role in applying business knowledge to successful ventures.
3. analyze, integrate, and apply information to solve problems and develop plans.
4. have an appreciation for ethics and the societal issues of business.
5. be ready to succeed in their careers and make a positive impact on society.

Bachelor of Arts (BA) Entrepreneurship Major

The Bachelor of Arts in Entrepreneurship degree program is designed to provide a holistic curricular approach to open a student's perceptual window and explore opportunity recognition in business through social and behavioral discovery and the honing of creative talents towards entrepreneurial developments.

The goals for the College of Business are that Lander Bachelor of Arts in Entrepreneurship students will:

1. acquire the basic business knowledge necessary for success in their ventures.
2. be able to apply the principles of small business and entrepreneurship strategies.
3. know the legal, ethical, and social aspects of beginning and operating a new venture.
4. study concepts in Human and Social Discovery, and Creativity and Innovation.

Bachelor of Science (BS) Business Administration Major

Students majoring in Business Administration may select from seven emphases: Accounting, Financial Services, Health Care Management, Hospitality Management, Information Technology (IT) Management, Management / Marketing, and Sports Management.

The goals for the College of Business are that Lander Bachelor of Science in Business Administration graduates will:

1. possess the business knowledge necessary for success in their careers.
2. be effective communicators.
3. have an appreciation for ethics, ethical decision-making, and the social responsibility of business to all stakeholders.
4. apply relevant methods and technologies to analyze and solve problems.
5. be ready to succeed in their careers and make a positive impact on society.

Accounting Emphasis

Students selecting the emphasis in accounting are required to take six specified courses, one business elective, and at least two accounting elective courses. The elective courses may be chosen based on the student's areas of interest.

Students who graduate with an accounting emphasis should meet the qualifications to sit for the CPA exam in South Carolina; however, to be licensed as a CPA in South Carolina, 150 credit hours of education are required. The 150-

hour requirement must include 36 hours of accounting with 24 of these hours at the 300 level or above. Business courses totaling 36 hours are also required as part of the 150 hours. Lander University students may meet the 150-hour requirement by completing the baccalaureate degree requirements at Lander (approximately 120 credit hours) plus additional credit hours sufficient to meet the 150-hour requirement. For more details, students should see their academic advisors. Also, please note that CPA licensing requirements vary from state to state, and students planning to practice outside of South Carolina should check with the Boards of Accountancy in the appropriate states.

The 150-hour requirement does not apply to accounting students who pursue careers that do not require the CPA license.

Financial Services Emphasis

The objective of the Financial Services emphasis is to build a broad-based program for undergraduate students that includes studies in Commercial Banking, Insurance and Risk Management, Investments and Wealth Management, and Real Estate. The curriculum is designed to give students a solid foundation in the industry segment and will include insights of subject matter from professors, respected practicing professionals and representative industry groups. Anticipated growth in employment opportunities in the financial services businesses will provide graduates opportunities to become industry professionals and leaders for the 21st century.

Health Care Management Emphasis

The purpose of the Health Care Management emphasis is to integrate the fundamentals of business administration with a comprehensive knowledge of the U.S. health care delivery system. The emphasis is designed to enable qualified students to acquire the skills and knowledge needed to be successfully employed by various healthcare service organizations.

Hospitality Management Emphasis

The Hospitality Management emphasis focuses on the integration of management skills and foundations as it is applied to the hospitality and tourism industries. Courses in the emphasis will provide an in-depth review and discovery of several industry sectors such as foodservice, lodging, meeting and event planning, and transportation. Courses will focus on the operations management standards and delivery within this industry and other service-oriented entities.

Information Technology (IT) Management Emphasis

The IT Management emphasis provides a broad knowledge of management principles and skills and an in-depth understanding of business practices including IT systems and cybersecurity. This degree program is a collaboration between the College of Business and the Department of Mathematics and Computing.

Management/Marketing Emphasis

The Management/Marketing emphasis focuses on the ways in which organizational objectives are developed, implemented, and changed for processes that add value for stakeholders. Management courses emphasize decision-making skills and the selection, motivation, and development of human resources. Marketing courses focus on the ways an organization can meet customer needs through product development and distribution and through promotional and pricing strategies.

Sports Management Emphasis

The sports management emphasis provides students with an integrated academic learning environment for understanding the challenges in the business of sport. Successful candidates for the sports management degree will demonstrate understanding of the nature of the sport industry including knowledge of the qualifications, job requirements, and working conditions for a sport industry position.

Requirements for the Business Administration Major

Students pursuing the Bachelor of Science degree in Business Administration are assigned an advisor from the College of Business. Advisors will assist students in planning their coursework to meet school requirements and procedures. In order to continue as a business major, students must meet the requirements stated below.

Course Grade Requirements

All business majors must earn a grade of “C” or better in ECON 101, ENGL 101, ENGL 102, MATH 121, and MATH 211 and in all of the Major Program Core Requirements, Major Program Additional Requirements, and Major Program Emphasis Requirements (as defined in the Program Requirements for each emphasis area in Business Administration).

Enrolling in Upper-Level Business Courses

In order to enroll in the upper-level Business courses, Business majors must earn a grade of “C” or better in all prerequisites.

Transfer Students

Transfer students from other divisions within the University or from other accredited institutions are required to meet the requirements listed for current students. Grades of less than “C” will not be accepted for transfer credit from other institutions. Courses offered at the upper level (courses numbered 300 or above) at Lander University will not transfer from a junior or technical college unless those courses are identified as transferable in an approved articulation agreement.

Students in Other Departments

Students in other departments of the University who wish to take lower-level business courses are required to meet the prerequisite requirements for each course and the grade requirements as listed for those prerequisites. Students in other departments who wish to take business courses at the 300 level or above must meet the prerequisites listed below for the minors in business administration or health care management.

The Dean of the College of Business will consider exceptions to all of the preceding requirements on an individual basis.
