

Foreign Language Assessment Instructions

Dear Bearcat,

Welcome to Lander University!

We want you to excel in your classes at Lander University, and we look forward to providing you with the tools to do so. The Foreign Language Assessment is one such tool.

If you are interested in taking a foreign language, you can register for SPAN 101 or FR 101 without taking this assessment. If you have experience in French or Spanish, and are interested in an upper-level foreign language course, please take the online Foreign Language Assessment to determine the course, which will best match your language proficiency. See instructions below. Please note instructions differ slightly if you are a new or returning student.

Your success is our priority. If you have any questions regarding this assessment, please contact the Office of English and Foreign Languages by calling 864-388-8265 or visiting LC 322 and see [here](#) for additional details. We look forward to seeing you on campus!

Ciao! Au revoir! ¡Hasta pronto!
