## About the Department of Music

Fully accredited by the National Association of Schools of Music, the **Lander University Department of Music** offers a comprehensive program of music study designed to promote musical literacy and artistry.

Conceived within the tradition of a liberal arts education, the Bachelor of Science degree in music (instrumental, keyboard and vocal) combines a strong music component with a broad menu of elective courses, while the Bachelor of Science in music, K-12 teacher certification (choral, instrumental and keyboard) curriculum prepares students for the organization and administration of public and private school music programs.

Music students receive one-on-one studio instruction and are afforded valuable performing opportunities with the Brass, Guitar, Keyboard, Percussion, String and Woodwind ensembles; Jazz Combo, the University and Old Main Singers, Opera Workshop, the Lander Chamber Strings, the Lander Jazz Ensemble, and the Lander Wind Ensemble.

At Lander University, you will find teachers, performers, parents, doctors, politicians, lawyers, music ministers, conductors, composers, recording artists, retailers, rockers, master's and doctoral students, and many more among those who have passed through our studio and classroom doors.
