We have received conflicting information regarding the degree you are pursuing at Lander and need to confirm your plans. It is important that we get the correct answer for this question in order to determine your eligibility for financial aid.

Please mark the answer that best describes your situation:

1. ☐ I have already graduated from college and am enrolled in a second undergraduate program.

2. ☐ I have already graduated from college and am enrolled as a graduate student.

3. ☐ I will graduate from college and become a graduate student after the Summer of 2022.

4. ☐ I will graduate from college and become a graduate student after the Fall of 2022.

5. ☐ I will graduate from college and become a graduate student after the Spring of 2023.

6. ☐ I will graduate from college and become a graduate student after the Summer of 2023.

7. ☐ I plan to be an undergraduate student at Lander and working on my first bachelor's degree for the entire academic year.

8. ☐ I am not seeking a degree from Lander University during the 2022-2023 academic year.

Certification Statement:
The information above is true and accurate to the best of my knowledge. I understand that answering incorrectly may change my eligibility for financial aid and that I may be required to provide additional documentation to complete my federal aid package. I further understand that the Financial Aid Office will not process my aid any further until I have completed this form.
