2022-2023 Resolution of Default Status on a Federal Student Loan

_____

Student's Last Name   **First Name**   **MI**   **Lander ID (L#)**

We are unable to continue processing your 2022-2023 application for financial aid due to a problem with your Free Application for Federal Student Aid (FAFSA/SAR).

The National Student Loan Data System (NSLDS) indicates that you are in default on a federal student loan. You are not eligible to receive any federal student aid (as well as some state aid) until your default has been resolved.

You will need to contact the holder of your loan(s) to make satisfactory arrangements for repayment. If you're not sure who holds your loans, check your Student Aid Report for the name and phone numbers of the lender, guaranty agency, Direct Loan Servicers or U.S. Education Department Regions holding your defaulted loan(s). If contact information is not provided on your FAFSA/SAR, you may access your student loan information on-line at https://studentaid.gov (Financial Aid Review) using your U.S. Department of Education Federal Student Aid Identification Number (FSA ID).

Once you have made satisfactory arrangements and have cleared your default status:

1. Complete this form.

2. Attach documentation **from the holder of your loan** confirming resolution of default status, either by paying the loan in full (including consolidation) or by making satisfactory repayment arrangements (six consecutive, full, voluntary payments on time). **NOTE: You must make a total of nine consecutive, full, voluntary payments on time to resolve the default status completely.**

If you have questions, call the Lander University Financial Aid Office at (864) 388-8340.
