ADDITIONAL CERTIFICATIONS

The rules pertaining to the S.C. LIFE Scholarship Program currently state that in order for the student to qualify for renewal of the Scholarship in subsequent years the following criteria must be met:

- Minimum cumulative GPA of 3.0 on 4.0 scale at all eligible institutions; and
- Minimum of 30 earned hours after the first year of college; or
- Minimum of 60 earned hours after the second year of college; or
- Minimum of 90 earned hours after the third year of college.
- For freshmen entering mid-year (i.e. January), the renewal requirements will be 15 hours and a 3.0 LIFE Scholarship GPA in the following August, and an average of 30 hours per year and a 3.0 LIFE Scholarship GPA thereafter. A student who starts mid-year but was not eligible for LIFE the first term must earn 45 hours and a 3.0 LIFE GPA by the end of the summer term of the 2nd academic year of enrollment to gain eligibility in the subsequent fall semester.
- If transferring to Lander, to receive the LIFE Scholarship INITIALLY, students must:
 - Have earned a cumulative 3.0 grade point average on a 4.0 scale at all transferring institutions, earned a minimum of 30 credit hours (second year transfer), 60 credit hours (third year transfer), or 90 credit hours (fourth year transfer) at all prior institutions or an annual equivalent for a student who begins mid-year at the participating institution.
 - For scholarship eligibility after the initial year of transfer, students must:
 - Earn a cumulative 3.0 LIFE grade point average based on grades earned at all institutions attended excluding remedial, continuing education, and non-degree credit courses by the end of each academic year (fall, spring, summer).
 - Must have a cumulative total of 30 credit hours (second year student), 60 credit hours (third year student), or 90 credit hours (fourth year student) earned at or accepted by Lander University toward graduation.
- Students who are not eligible going into fall term cannot regain eligibility for disbursement again until the subsequent fall term.
- Students may only be considered for the LIFE Scholarship for four years (8 semesters, not including summer) from the date of **initial** college enrollment after high school graduation.
- For entering freshmen, if the final high school transcript indicates less than an acceptable GPA and/or class rank, or does not indicate the diploma was received, the S.C. LIFE Scholarship award will be canceled.
- For upperclassmen, if the student fails to successfully complete the appropriate GPA or number of hours, any award notice for the next year will be canceled. However, you have the option of enrolling in summer school to make up deficit hours and/or cumulative GPA. If you are successful in making up the deficits, you may request reconsideration for the LIFE, provided you do so PRIOR to the first day of class in the fall term. Payment arrangements must be made if these grades are not processed prior to the fall term.
- For upperclassmen, Incompletes, retroactive withdrawals or grade changes might affect your eligibility. If a retroactive withdrawal or grade change affects your eligibility during the award year, your LIFE Scholarship will be adjusted as appropriate.
- For upperclassmen participating in a Study Away Program, if your credits are not recorded on your transcript at Lander University prior to the beginning of fall term, you may lose eligibility for the S.C. LIFE Scholarship. Discuss the promptness of delivery of your academic transcript with the host institution and the Study Away Program coordinator when deciding whether to elect such a program in the fall or spring term. In addition, students wishing to use LIFE Scholarship for study away programs are required to complete additional paperwork in the Financial Aid Office prior to the term in which they intend to study away.

APPEALS

If an extenuating circumstance has caused a student to fail to meet the academic requirements (cumulative grade point average and/or credit hours) for regaining or renewing a LIFE Scholarship, the student may file an appeal with the Commission on Higher Education. Students wishing to file an appeal must thoroughly read the Appeal Guidelines and submit all materials by the established deadline. The maximum of 8 terms for a 4-year undergraduate degree cannot be appealed. The appeal guidelines and application are available at [Student Scholarship Appeals | CHE](#) .

DISCLAIMER

All state awards for the 2023-2024 academic year, including the S.C. LIFE Scholarship, the S.C. HOPE Scholarship, the S.C. Palmetto Fellows Scholarship, and the S.C. Need-Based Grant, are based on Lander University's current understanding of the legislative actions and intent of the S.C. General Assembly. If, at any time, the actions of the General Assembly require changes to your award, your awards will be changed to comply with state requirements. You will be notified of any changes to your award. We apologize for any difficulty this may cause and assure you that we will communicate any changes to you as soon as possible.
