2026-2027 PARENT BORROWER Certification for Discharged Loan for Disability

Student's Last Name First Name MI Lander ID (L#)

Parent Borrower's Last Name First Name MI Last Four Digits SSN

In reviewing your (parent borrower's) loan history on the National Student Loan Data System, you have one or more federal student and/or parent loans and/or TEACH Grants discharged because of a total and permanent disability. Before you can receive an additional Federal Direct Parent PLUS Loan, you must complete the following certifications and return this form to the Lander University Financial Aid Office.

Here's what you need to do:

- If you do not wish to apply for any federal loans (Federal Direct Parent PLUS Loan) for 2026-2027, check this box.
If you have recently applied for a discharge, and the application has not yet been approved, check this box.

You will need to contact the Department of Education's Total and Permanent Disability Servicer at 1-888-303-7818 or at disabilityinformation@nelnet.net for guidance on how receiving a new Title IV loan will impact your application for a discharge. More information is available at https://studentaid.gov/manage-loans/forgiveness-cancellation/disability-discharge . Any disbursements for a new loan may cause your discharge to be suspended or rejected. If you still wish to apply for a new federal loan, complete the next section.

Complete the following certification:

I certify that the condition that previously caused me to be considered totally and permanently disabled has improved to the point where I am now able to work and to earn money or to attend school. I understand that if I accept additional federal loan assistance that such assistance will not be eligible for cancellation on the basis of any present impairment unless that condition substantially deteriorates to the extent that the definition of total and permanent disability is again met. I further understand that, if I am within the three-year provisional period for disability cancellation of a prior loan, I must resume payment on that loan (with the exception of borrowers who have a federal loan discharged by the Department of Veterans Affairs).
