## CAMPUS SAFETY STANDARDS (ALL APPLICANTS MUST COMPLETE)

All applicants are required to complete responses to a series of campus safety questions on the application for admission. Responses to these questions are initially reviewed by the Office of Admissions and some cases are referred to the Campus Safety Standards Committee for review. An applicant must be approved through the campus safety review process prior to being admitted to the University. This campus safety standards review process supports the University's goal of maintaining a safe learning community. Failure to submit complete responses and/or falsification of responses may result in revocation of the admission decision or dismissal of the applicant if false information or an incomplete response is discovered after enrollment. Any incident resulting in any change to a campus safety standards question subsequent to the application must be immediately reported by the applicant to the Office of Admissions in writing. Failure to do so may result in the revocation of the admission decision or dismissal of the applicant after enrollment.

If you answer "yes" to questions 37(a)–(f) below, you are required to provide your own written explanation of the event(s) and a copy of the police incident and arrest report, and/or a statement from an appropriate official summarizing the event(s) and the final disposition of your case. If you are/were not represented by legal counsel in connection with the event(s), in addition to your own written explanation, you must also provide court records summarizing the event(s) and the final disposition of your case. Print your full name at the top of each page, and date and sign each page. All documentation must be mailed to the Office of Admissions.

For the purpose of responding to these questions, "crime" or "criminal charge" refers to any crime other than a traffic-related misdemeanor or infraction. Include all alcohol or drug offenses whether or not they are traffic-related.
