

The Office of Fraternity Sorority Life in partnership with our Greek letter organizations strive to enrich the education experience of members while serving the great community. Founded upon the pillars of scholarship, service, leadership, and friendship, our fraternities and sororities contribute greatly to Lander, the local community and beyond.

Below is our end of year report that consists of our membership numbers and GPA information. If any questions arise, please contact Dr. Demario Watts, director of Student Life (studentlife@lander.edu).
