Housing Checklist

STEP #1 THE HOUSING APPLICATION

- ☐ Log into **MyLander** and click on the **Housing Portal** located on the Student Highlights tab on the homepage.
- ☐ Go to **Application** and find the term for which you are applying – **Academic Year 2027-2028**.
- ☐ Follow the steps in the application process.
- ☐ After agreeing to the contract, pay the \$250 non-refundable **Housing Deposit**.
- ☐ Complete the **Roommate Questionnaire**, create a **Web Profile** about yourself and find others in the **Roommates Requests Step**.

THESE ARE THE LAST STEPS IN THE PROCESS UNTIL YOUR TIME SLOT OPENS FOR ROOM SELECTION.

STEP #2 ROOM SELECTION

- ☐ On **March 9, 2027**, check your Lander email for your official **time slot** for those who paid on or before **Feb 24th**.
Time slots will be emailed on March 9, 2027, to those who paid on or before Feb 24th. If you paid after Feb 24th you will select your room beginning March 24th.
- ☐ **When your time slot opens**, log back into your application. You will now be able to select your room and will see the **Room Selection, Meal Plan and Confirmation steps**. (Your application will be marked 'Complete' once you reach the Confirmation step.) Time slots run from March 16-18 for Continuing/Returners. Time slots are based on hours earned and not when payment is made. Therefore, there is no need to rush if paying between Feb 10-24th.

REMEMBER: If you are in a Roommate Group and assigned to a room by them **you still need to log in** and complete the **Meal Plan and Confirmation step** when your time slot opens.

STEP #3 AFTER ROOM SELECTION

- ☐ Move-in Appointments open for selection on **July 1st** in the Housing Portal
- ☐ Read the Housing & Residence Life list of **What to Bring & What Not to Bring**
- ☐ Communicate with your roommate/suitemates prior to move-in to coordinate cohabitation details.
