

STEP #1 THE HOUSING APPLICATION

- ☐ Log into **MyLander** and click on the **Housing Portal** located on the Student Highlights tab on the homepage.
- ☐ Go to **Application** and find the term for which you are applying – **Academic Year 2026-2027**.
- ☐ Follow the steps in the application process.
- ☐ After agreeing to the contract, pay the \$250 non-refundable **Housing Deposit**.
- ☐ Complete the **Roommate Questionnaire**, create a **Web Profile** about yourself and find others in the **Roommates Requests Step**.

THESE ARE THE LAST STEPS IN THE PROCESS UNTIL YOUR TIMESLOT OPENS FOR ROOM SELECTION.

STEP #2 ROOM SELECTION

- ☐ On **March 10, 2026** check your Lander email for your official **timeslot** for those who paid on or before **Feb 25th**.
Timeslots will be emailed on March 10, 2026 to those who paid on or before Feb 25th. If you paid after Feb 25th you will select your room beginning March 25th.
- ☐ **When your timeslot opens**, log back into your application. You will now be able to select your room and will see the **Room Selection**, **Meal Plan** and **Confirmation steps**. (Your application will be marked 'Complete' once you reach the Confirmation step.) Timeslots run from March 17-19 for Continuing/Returners. Timeslots are based on hours earned and not when payment is made. Therefore, there is no need to rush if paying between Feb 11-25th.

REMEMBER: If you are in a Roommate Group and assigned to a room by them **you still need to log in** and complete the **Meal Plan** and **Confirmation step** when your timeslot opens.

STEP #3 AFTER ROOM SELECTION

- ☐ Move-in Appointments open for selection on **July 1st** in the Housing Portal
- ☐ Read the Housing & Residence Life list of **What to Bring & What Not to Bring**
- ☐ Communicate with your roommate/suite-mates prior to move-in to coordinate cohabitation details.
