Housing Checklist

STEP #1 THE HOUSING APPLICATION

- ☐ Log into **MyLander** and click on the **Housing Portal** located on the Student Highlights tab on the homepage.
- ☐ Go to **Application** and find the term for which you are applying – **Academic Year 2027-2028**.
- ☐ Follow the steps in the application process.
- ☐ After agreeing to the contract, pay the \$250 non-refundable **Housing Deposit**.
- ☐ Complete the **Roommate Questionnaire**, create a **Web Profile** about yourself and find others in the **Roommates Requests Step**.

THESE ARE THE LAST STEPS IN THE PROCESS UNTIL YOUR TIMESLOT OPENS FOR ROOM SELECTION.

STEP #2 ROOM SELECTION

- ☐ On **Tuesday, May 18, 2027**, check your Lander email for your official **time slot**.
Time slots will be emailed on May 18, 2027, to those who paid on or before May 1st. If you paid after May 1st you will select your room beginning June 1st.
- ☐ **When your time slot opens**, log back into your application. You will now be able to select your room and will see the **Room Selection**, **Meal Plan** and **Confirmation steps**.

(Your application will be marked 'Complete' once you reach the Confirmation step.) Time slots run from May 25-27 for first-time freshmen. Time slots are based on when the Housing Deposit was paid and are on a first-come, first-served basis.

REMEMBER: If you are in a Roommate Group and assigned to a room by them **you still need to log in** and complete the **Meal Plan** and **Confirmation step** when your time slot opens.

To Bring,
or Not to Bring...

That is the Question.
