Co-Curricular Programs Committee (2020-2021)

Appointed By: President

Reports To Student Life Council

Membership

The Co-Curricular Programs Committee shall consist of the director of student activities, chair; the vice president for student affairs; the assistant director of residence life; the director of intramurals; two faculty members; one representative from the Office of Student Activities; one representative from Multicultural Affairs; one representative from University Program Council; one student representative of the Intramural staff; and two students-at-large.

Function

The committee serves in an advisory capacity for the directors in the areas of student activities, student organizations and recreational sports/intramurals. Responsibilities include, but are not limited to, developing policies and procedures, acting as judicial body for organizational policy violations; and making recommendations to appropriate committees for the improvement of Lander University's co-curricular programs. Additionally, the committee selects nominees for Who's Who, Student Life Award winners and others as requested.

Procedures

The committee will meet on an as needed basis from September through April.

The committee reports to the Student Life Council.
