IV Program Provisions

- A. Eligible faculty and staff may apply to take no more than six (6) credit hours (including labs) per academic term, at no charge, on a space-available basis. Participants taking additional courses will pay the regular tuition rate in effect at the time of enrollment. For purposes of this program, any summer session is considered one academic term.
- B. The regular application fee will be waived. However, the Tuition Assistance Program does not pay for other expenses incurred or required by the course (e.g., textbooks, field trips), unless Lander University requires the employee to attend the course.
- C. An enrolled employee who resigns, is dismissed, or otherwise leaves the university will be allowed to continue in the course on a tuition-free basis except under extenuating circumstances. However, the employee will not be permitted to enroll in additional courses under this program.
- D. Courses must be taken for academic credit, but do not have to be taken toward the completion of a degree.

V Class Scheduling

- A. Employees are expected to enroll in classes during hours that do not conflict with their other university obligations. When an approved class cannot be scheduled during off-hours, prior approval must be obtained by the respective chair, dean, director, or supervisor before enrolling. The respective chair, dean, director, or supervisor will consult with the appropriate vice president and, with the vice president's approval, elect to adjust the work schedule if it is determined that such an adjustment will not interfere with the employee's normal duties and operations within the office or academic unit.
- B. When an approved class cannot be scheduled during non-work hours and it is not feasible to adjust work schedules, participants who earn annual leave may be allowed to take annual leave for the purpose of attending class. Authorized leave without pay for up to ten (10) days may also be used to attend class. Both annual leave and authorized leave without pay must be approved, in advance, by the department chair, dean, director, or supervisor.

VI Procedure

- A. Employees must be admitted through the appropriate admissions process (section “B” below) and complete an application for the Tuition Assistance Program (section “C” below).
- B. Applications for admission are available at <http://www.lander.edu/admissions> or in the Admissions Office.
- C. Applications for the Tuition Assistance Program are available at <https://www.lander.edu/hr> or in the Office of Human Resources.
- D. Applications with the supervisor’s approval must be sent to the Office of Human Resources for a verification of eligibility.
- E. Final approval of the Tuition Assistance Program application does not register or enroll a participant in the requested course, nor does it guarantee admission as a student to Lander University. Employees are individually responsible for applying for admission to the University and for receiving academic advisement.
- F. Lander University will coordinate tuition assistance with other educational or scholarship funds the employee receives. The combination of tuition assistance, grants, and scholarships shall not exceed the cost of the tuition for the approved course(s). In the event that grants and scholarships meet or exceed those costs, tuition assistance may not be awarded.

VII Staff Development Grant

- A. Staff may apply for a Staff Development Grant for tuition assistance to enhance their personal growth and their benefit to the university after applying for all available assistance under the Tuition Assistance Program. The applications are reviewed and forwarded for consideration by the Lander Foundation Grant Committee, which makes the final determination and award for a Staff Development Grant. Application deadlines are:
 - 1. March 1 – Summer School Sessions
 - 2. April 1 – Fall Semester
 - 3. November 1 – Spring Semester
- B. Application forms and additional information are available on the Human Resources website at <http://www.lander.edu/hr>.
- C. Staff Development Grant funds are subject to approval and availability.
- D. This benefit/award may be taxable. Faculty and staff who participate should contact their tax preparer for guidance.

VIII Final Approval Authority

- A. Final approval of eligibility for tuition assistance or reimbursement is made by the human resources office and does not register or enroll a participant in the requested course nor guarantee admission as a student to Lander University.
