2020-2021 PLUS LOAN APPLICATION SUPPLEMENT

The Federal Direct Parent Loan for Undergraduate Students (PLUS) is a loan borrowed by a credit-worthy parent to help meet the educational expenses of a student enrolled at least half-time in a degree program. PLUS loans accrue interest (currently at 5.30%) from the date of disbursement and the parent borrower enters repayment 60 days after the loan is fully disbursed.

Parent PLUS Loan requirements are as follows:

- Applicant must be either biological parent or the parent/stepparent of the student whose information is reported on the FAFSA. **(Guardians & grandparents cannot apply.)**
NOTE: Eligible stepparents are those whose information was reported on the FAFSA.
- Complete all sections of this PLUS Loan Application Supplement and return it to the Financial Aid Office address or fax number above.
- The loan record will be sent for a credit check once the Federal Direct Parent PLUS Loan has been accepted and the PLUS Loan Application Supplement has been received and processed. If credit is approved, the loan record is sent from Lander University to the Department of Education for approval to disburse the loan funds and to the Direct Loan Servicer, who checks the promissory note status.
- Parent applicant must sign the electronic Parent PLUS Master Promissory Note (eMPN) online at <https://studentaid.gov>. Parent applicant must have a Department of Education Federal Student Aid Identification Number (FSA ID) to sign the Parent PLUS eMPN. This is the same FSA ID that is used to sign the Free Application for Federal Student Aid (FAFSA). The signature process is complete once the applicant can view their confirmation page.
- **Parent applicants can apply for an in-school deferment while their student is enrolled at least half-time (6 hours). Parents must apply for the in-school deferment every 12 months by contacting their assigned loan servicer.** Parents can view the servicer assigned to their loan and access the contact information for the servicer on-line at https://nslds.ed.gov/nslds/nslds_SA/. Parent borrowers should contact the loan servicer to learn the steps they need to take to apply for an in-school deferment for the Federal Direct Parent PLUS Loan. It is also recommended that the parent borrower follow-up with the loan servicer 7-10 business days after application for deferment has been made to ensure a deferment has been placed on all loans held for the parent by the loan servicer.
- **A valid Free Application for Federal Student Aid (FAFSA) must be on file in the Financial Aid Office before the Federal Direct Parent PLUS Loan can be originated.**

The PLUS Application Supplement must be complete and legible in order to be processed. Applications must be completed in blue or black ink only.
