Your application for federal student aid was selected for a review process called "verification." In this process, federal law requires the school to collect additional documents to confirm the accuracy of the information reported on the student's **Free Application for Federal Student Aid (FAFSA)**. After all documents are received, the information will be reviewed for accuracy. If necessary, the information will be corrected on the FAFSA and aid packages adjusted accordingly.

You must return this completed form as well as all required financial documents to the Financial Aid Office within 15 days after receiving this notification to avoid delays in processing. Additional information may be requested to resolve any conflicting information.

Did a member of your household who was reported on your FAFSA receive benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as Food Stamps) in 2019 or 2020? If you have questions about who is allowed in your household, please review the FAFSA instructions or contact the Financial Aid Office at the email or phone # above.

___ Yes ___ No

Note: If we have reason to believe that the information regarding the receipt of SNAP benefits is inaccurate, we may require documentation from the agency that issued the SNAP benefits in 2019 or 2020.

Grandparents, foster parents, legal guardians or those with legal custody are **NOT** considered parents for FAFSA purposes and their information cannot be used to determine eligibility for financial aid.
