2021-2022 Trust Information Form

Student's Last Name	First Name	MI	Lander ID (L#)
----------------------------	-------------------	-----------	-----------------------

Upon reviewing your financial aid application, it appears that you, your spouse and/or your parent(s) have one or more trusts. To proceed with determining your financial aid eligibility you must submit documentation of the trust(s). Trust funds in the name of a student (or student's spouse) or parent should be reported as that person's assets, even if the beneficiary's access to the trust is restricted. For example, if the corpus will eventually belong to the student, it should be reported on your financial aid application as a student asset. If the parent is the beneficiary of the corpus, it is a parent asset. Both student and parent could be receiving income from the same trust so it may be an asset to both. If Trust has multiple beneficiaries, only list portion that belongs to student and parents.
