
LANDER UNIVERSITY PANHELLENIC COUNCIL

Date: Monday, July 20th 2020

From: Taylor Haigler, Panhellenic Council President

Subject: Lander University Panhellenic Recruitment Plans

The safety of the Panhellenic and Lander community is of the utmost importance as we enter the season of Formal Panhellenic Recruitment during the COVID-19 crisis. The Panhellenic Executive Council has worked relentlessly this summer with our National Organizations to create three different recruitment contingency plans, including a Fully Structured Recruitment model with social distancing, a Hybrid Recruitment model, and a Fully Virtual recruitment model. As of now, Lander University Panhellenic will be using a Fully-Structured Recruitment model with schedule changes and social distancing guidelines.

Lander University Panhellenic will be providing washable face-masks and hand sanitizers to all participating members of recruitment (including potential new members, alumni, and visitors). We have added an extra day of recruitment rounds to ensure the ability to limit the number of people in a room together. We have removed the use of food or drinks in the recruitment rooms, as well as limited the amount of persons allowed in a room at a time. Every room will be sanitized between rounds of new people entering. All recruitment plans that have been made are with social distancing guidelines in mind.

The Formal Recruitment Process is an asset to the survival of our organizations, and we look forward to creating a safe environment for our chapters. The

Panhellenic Council and I are committed to providing the safest experience for our potential new members this fall. If you have any further questions or concerns regarding the Panhellenic Recruitment Process, please feel free to reach out to me at taylor.haigler@lander.edu or Emily Weeks, Fraternity and Sorority Life Advisor at eweeks@lander.edu.

Sincerely,

A handwritten signature in black ink that reads "Taylor Haigler". The signature is written in a cursive, flowing style.

Taylor Haigler, Panhellenic President
