Additional Requirements: CPR/FA card

Total Hours Required: 122

PEES 210 or BIOL 202 is a prerequisite for admission into Level II of the Exercise Science program, along with minimum cumulative Lander GPA of 2.75

¹Students following the Physical Therapy/Occupational Therapy concentration should take PSYC 101, MATH 121, BIOL 111, and BIOL 202. Students not following the PT/OT concentration may take any general education course that satisfies each of the general education requirements for the University and may take either PEES 210 or BIOL 202 for the core requirement.

Students following the PT/OT concentration should speak with an advisor regarding the specific electives required to meet Physical Therapy or Occupational Therapy prerequisites.
