Fall sessions are usually held from August through November and the spring sessions usually start in March and go through the end of May. All session times are subject to change from year to year depending on riders and weather.

Volunteers are vital to our program. Up to 3 volunteers are needed to allow the students to ride. For this reason, Bearcat Therapeutic Riding relies upon many volunteers each day of the week. Without the commitment of the volunteers, the program could not exist or expand to serve a greater number of students. Thank you for your commitment to Bearcat Therapeutic Riding!

If you cannot volunteer this session, would you like to be contacted next time or removed from our list ?
