

# How to download Office 365 Software

## Step 1

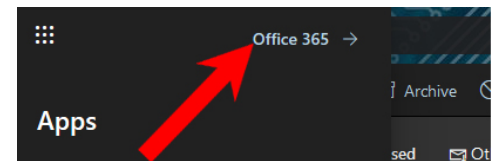

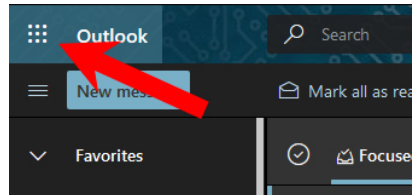

Navigate to [outlook.com/lander.edu](https://outlook.com/lander.edu) and log in with your lander email address.

Login with your Lander account

Sign in

## Step 2

After you sign in, click the apps icon (looks like 9 dots), then click the Office 365 link

## Step 3

Click on the dropdown that says "Install Office", then click Office 365 apps"

Office 365 is available for your PC and Mac and other devices such as a smartphone or an iPad.

If you have any problems downloading or installing Microsoft Office 365, please contact the ITS Help desk at 864.388.8234 or visit us in TRACS.
