Your application for federal student aid was selected for a review process called "verification." In this process, federal law requires the school to collect additional documents to confirm the accuracy of the information reported on the student's **Free Application for Federal Student Aid (FAFSA)**. After all documents are received, the information will be reviewed for accuracy. If necessary, the information will be corrected on the FAFSA and aid packages adjusted accordingly.

You must return this completed form as well as all required financial documents to the Financial Aid Office within 15 days after receiving this notification to avoid delays in processing. Awards made prior to completion of verification are estimates only and are subject to change. Additional information may be requested to resolve any conflicting information.

Child Support Paid: Child support paid by the parent(s) of the dependent student (or for the independent student, by the student/spouse) because of divorce or separation or as a result of a legal requirement. **Don't** include support paid for children in your household. If you have questions about who is allowed in your household, please review the FAFSA instructions or contact the Financial Aid Office at the email or phone # above.

Report **TOTAL** paid for each child in 2018, not monthly amounts. Please complete details below. (Attach a separate page if more space is needed.)

A parent's signature is required if a parent/stepparent was required to submit information on the FAFSA. For aid purposes, a parent can only be a biological or adoptive parent and a stepparent if the biological or adoptive parent has remarried. Grandparents, foster parents, legal guardians or those with legal custody are **NOT** considered parents for FAFSA purposes and their information cannot be used to determine eligibility for financial aid.
