Dear Student:

The income your parent reported on your 2020-2021 Free Application for Federal Student Aid (FAFSA) appears unusually low. Please have your parent provide a detailed explanation of how your family was able to meet expenses for food, clothing, shelter, utilities, transportation, etc. in 2018:

---

---

---

Please provide the actual dollar amount of any income your parents received, including cash support or bills paid on their behalf (or for their dependents) by another person or agency in 2018. This includes (but is not limited to) money, gifts, housing, food, clothing, car payments or expenses, medical and dental care, and payment of college costs. Do not include financial aid. Be sure to list the source of income.
