### Verification of Other Untaxed Income for 2018

Student's Last Name	First Name	MI	Lander ID (L#)

Your application for federal student aid was selected for a review process called "verification." In this process, federal law requires the school to collect additional documents to confirm the accuracy of the information reported on the student's **Free Application for Federal Student Aid (FAFSA)**. After all documents are received, the information will be reviewed for accuracy. If necessary, the information will be corrected on the FAFSA and aid packages adjusted accordingly.

You must return this completed form as well as all required financial documents to the Financial Aid Office within 15 days after receiving this notification to avoid delays in processing. Additional information may be requested to resolve any conflicting information.

- **If any item does not apply**, enter "N/A" for Not Applicable where a response is requested, or enter 0 in an area where an amount is requested.
- If the student was required to provide parental information on the FAFSA answer each question below as it applies to the student and the student's parent(s) whose information is on the FAFSA.
- If the student was not required to provide parental information on the FAFSA, answer each question below as it applies to the student (and the student's spouse, if married) whose information is on the FAFSA.
- **To determine the correct annual amount for each item:** If you paid or received the same dollar amount every month in 2018, multiply that amount by the number of months in 2018 you paid or received it. If you did not pay or receive the same amount each month in 2018, add together the amounts you paid or received each month.
- If more space is needed, provide a separate page with the student's name and ID number at the top.
