

## **Assistant Professor of Biochemistry**

Applications are invited for a tenure track position in Biochemistry to begin August 2019. PhD in Biochemistry or a closely related field is required.

A strong commitment to excellent teaching is essential. Supervising and supporting undergraduate research required. Preference will be given to candidates providing evidence of a record of excellent teaching.

Contract period is nine months. Normal teaching load is 12 contact hours each semester. An active professional development plan including scholarly activities and service to the University, the profession, and the community is expected.

Send letter of application, curriculum vitae, statement of teaching philosophy, unofficial transcripts, and names, addresses, telephone numbers, and e-mail addresses of three references to:

**Tammie Mallory**  
**Department of Physical Sciences**  
**Lander University**  
**Greenwood, South Carolina 29649**

Applications can also be **e-mailed** in Microsoft Word format to [tmallory@lander.edu](mailto:tmallory@lander.edu)

Screening of applications will begin March 10, 2019 and will continue until the position is filled.

Lander University is a tobacco-free campus. All final candidates are subject to successfully completing background requirements.

Lander University is committed to equal opportunity employment and being an employer of choice. Lander believes that corresponding differences within the faculty and staff, whether based on ethnicity, race, gender, religion, age, or other experiences, are tremendous assets to the role of Lander as an educational institution and within the community, region, and state. Moreover, Lander is an Affirmative Action/Equal Opportunity Employer. As a result, it is the policy and commitment of Lander that it will not discriminate based on race, color, religion, sex, national origin, age, disability or other protected characteristics.
